**REMARKS**

Pursuant to the requirements of 37 C.F.R. §§ 1.821-1.825, Applicants submit the attached Sequence Listing and computer readable form (CRF). The nucleic acid sequences disclosed in the specification, claims and drawings may be found in computer readable form in file 062550.txt on the attached diskette and are presented in the paper copy of the Sequence Listing, also attached.

Applicants hereby certify that the information recorded in computer readable form (CRF) supplied on the attached diskette as file 062550.txt is identical to the accompanying paper form of the Sequence Listing. The material presented in the computer readable form and the attached Sequence Listing is not new matter because it presents sequences identical to those disclosed in the specification, as filed.

Applicants believe that the requirements of 37 C.F.R. §§ 1.821-1.825 have now been met.

Respectfully submitted,
